

**New!**

Pilot Program  
Fall 2009

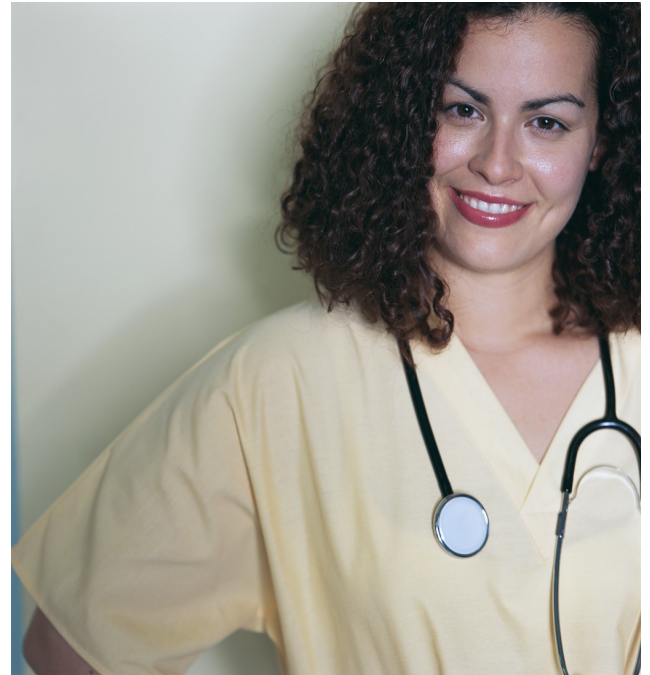

Do you need

# MEDS?

*Medical Education Done Successfully*

- *Are you interested in a career in the Healthcare field?*
- *Not sure which educational program is right for you?*
- *Do you need more information to make a good choice?*
- *Are you apprehensive about college and interested in additional support?*

If you would like more information about the health care field, more knowledge about how Lakeland works, and support while you go through your education, this new three-part program might be just for you!

The semester-long program includes:

**Medical Terminology class** — the basis for all of Lakeland's medical programs (2 credits)

**Introduction to Health Careers class** — a brand new class which will provide an overview of health careers, job outlook, and Lakeland's health-education programs (1 credit)

**Support Workshops** — You'll come together with fellow students to create a support network and form a study buddy system. You will also get plenty of information about admissions into the health programs, financial aid, how to manage your Lakeland journey successfully, and so much more!

Two options are available:

Daytime (Mon/Wed)  
10:00—11:50

and

Evening (Mon/Wed)  
6:00—7:50 pm

This program is open  
to both women  
and men.

Space is limited!  
Register Early!
