Women In Science and Engineering

- Do you think outside the BOX?
- Do you want to be in demand?
- Do you want a career that is out of the ordinary?
- Do you want to earn while you learn?

Are you a woman in transition?

This is your chance to:

- ◆ Explore the possibilities of this being a new career direction
 - ◆ Gain knowledge about how Lakeland works
 - ◆ Participate in a WISE support Group

" With the CHANGING ECONOMY, no one has LIFETIME EMPLOYMENT. But Community Colleges provide LIFETIME EMPLOYABILITY. " President Barack Obama

NOT a math whiz?

Do not let this stand in your way! You only have to be willing to learn math.
