

Associate of Arts Degree Requirements (9000)

The associate of arts (AA) is normally pursued by students intending to transfer to a senior institution for the completion of a bachelor of arts or science degree. Typical areas of study may include art, business, economics, education, English, geography, history, journalism, modern languages, music, philosophy, photography, political science, prelaw, psychology, sociology, social work, and speech. Students who complete this degree will also satisfy all requirements for the State of Ohio Transfer Module. See page 46-47 for "Transfer Guidelines."

The associate of arts degree requires successful completion of 64

semester credits with a 2.0 minimum grade point average (GPA). Students must have been enrolled in and earned at least 20 semester credits at Lakeland Community College and must have been enrolled during the term in which they completed the degree program. Courses below the 1000 level are not applicable to degree requirements, e.g., ENGL 0111, MATH 0750, etc.

Students must earn the 64 semester credits as listed below. **Students must successfully complete at least 36 of the total minimum 64 credits required for the degree from the courses listed in the Transfer Module shown on pages 48-49.**

Associate of Arts Degree Planning Guide

The planning guide below is provided to assist students in planning a program of study. Students are encouraged to consult with a college counselor about their education goals to assure that their programs of study not only satisfy Lakeland's requirements but also the transfer requirements of the baccalaureate programs to which they aspire. Students should also refer to pages 40 and 41 to determine which courses will fulfill the Associate of Arts degree requirements at Lakeland.
