Student Information

Lakeland ID:

Last: First: Middle:
Address:
City: State: Zip:
County: Lakeland Email: @mail.lakelandcc.edu

All program applicants must apply to Lakeland and fall under one of the following options. Please check one:

Option #1 High School

- Must be accepted to Lakeland and have met all College Credit Plus admission requirements

Option #2 Transfer students or Current LCC Students

- Declare chosen certificate program or Multi-Skilled Degree a major and must have a minimum of 2.000 GPA for admission
Applicants must meet with the program director and counselor to review program guidelines and policies.

Program Pathway Selection

Please indicate your educational goal (select one):

I am interested in completing a certificate program only (Medical Assisting, Administrative Medical Office Assistant, Electrocardiography (EKG), or Phlebotomy).

I am interested in completing a certificate program and plan to continue toward the Multi-Skilled Health Technology Associate Degree (9325).

Note: Credits earned in the certificate programs may be applied toward the associate degree

Program of Interest

Please check all the certificate programs you are interested in pursuing:

- Medical Assisting (3550)
Administrative Medical Office Assistant (3549)
Electrocardiography (EKG) Technician (3251)
Phlebotomy Technician (3601)

Note: You may select more than one program. Program availability may vary by semester.

Acceptance Requirements

- All applicants must meet with the program director: Denise Lash, MEd, CMA(AAMA)
Applicants who have completed all admission requirements will be considered for acceptance on a space-available basis.
Please Note that your acceptance or denial letter will be sent to your Lakeland email account. Be sure to check it regularly for updates.
