Graduates will achieve the student learning outcomes upon program completion.
(Expected level of Achievement: 80%).

Graduates will achieve pass rates on the NCLEX®-RN licensure exam equal to or greater than 95% of the national average for first-time candidates who took the examination within six months of program completion; and the most recent annual examination pass rate will be at least 80% for all first-time test takers during the same 12-month period.

Graduates seeking a position as an RN will be employed within six months of graduation (Data based on results of Graduate Survey – response rate indicated).
(Expected level of Achievement: 70%).
