ABOUT LAKELAND

For more than 50 years, Lakeland Community College has impacted thousands of lives through learning. Founded in 1967, Lakeland was the first college in Ohio created by a vote of the people. True to its mission, the college provides quality learning opportunities to nearly 8,000 credit students to meet the needs of the community at its main campus in Kirtland and online.

Accredited by The Higher Learning Commission, Lakeland offers more than 140 associate degree and certificate programs that may lead to high-demand careers or transfer to four-year institutions. The college also provides access to bachelor's, graduate and doctorate degrees along with certificates and endorsement on campus through the Holden University Center of Lakeland, in partnership with 12 four-year institutions.

ACADEMIC PROGRAMS

DEGREE & CERTIFICATE PROGRAMS

Lakeland's degree program prepares students for a career in a high-demand field or for transfer to a four-year college or university. In addition to the associate degree program, specifically designed sequences leading to the awarding of certificates have been developed in cooperation with industry, commerce, and local government to provide opportunities for people seeking to improve their occupational skills or to retrain for new occupations.

Lakeland Community College is accredited through the Higher Learning Commission (HLC).

Achievement of Candidate for Accreditation status does not assure that the program will be granted Initial Accreditation.

NEW AND TRANSFER STUDENT ENROLLMENT CHECKLIST

Apply for Admission

All new students need to apply for admission to Lakeland. Apply online at lakelandcc.edu/apply. For questions, contact Lakeland's Admissions Office at 440.525.7100 or by email admissions@lakelandcc.edu.

Submit Transcripts

All new, first-year students are required to submit a final, official high school transcript showing graduation date or GED transcript. This requirement may be waived if you have earned 15 credit hours or more at an accredited post-secondary institution.

All new transfer students are required to submit official transcripts from all post-secondary institutions attended, even if no credit was earned.

Any student pursuing a health technologies program must also submit an official high school transcript or GED transcript.

Please contact your former high school and/or post-secondary institutions to request your transcripts to be sent directly to the Lakeland Admissions Office at 7700 Clocktower Drive, Kirtland, Ohio 44094.

Take the Placement Test – if required

Course placement tests help to determine proper course selection. Lakeland may require placement testing in English and mathematics prior to registration. Appointments are required and can be scheduled through myLakeland after receiving admission notification.

The Lakeland Learning Center offers free placement test preparation sessions in English writing and math for admitted students. Contact the test center at 440.525.7574 or 440.525.7568 to register for a session. For additional test preparation information, visit lakelandcc.edu/placement.

ACT/SAT scores can be submitted in lieu of the placement test. Students with ACT/SAT sub scores below the college readiness level are encouraged to take the placement test. For more information, visit lakelandcc.edu/placement.

Readiness Area

Readiness area for the English/writing sub score for the ACT is 18 or higher, for the SAT is 480 or higher.

Readiness area mathematics sub score for the ACT is 22 or higher, for the SAT is 530 or higher.

Students can obtain college credit for introductory-level courses by taking special examinations at Lakeland through the College Board's College-Level Examination Program (CLEP). Visit lakelandcc.edu/web/about/clep-test to learn more. Due to COVID 19, CLEP exams are suspended until further notice.

Complete New Student Orientation Session

All students must complete the New Student Online Orientation session through their myLakeland account. Once completed, students will meet with an academic counselor, register for classes, discuss access to technology, and receive information about financial aid and scholarships. Students will receive instructions on how to access the New Student Online Orientation session via email after they have been admitted to Lakeland.

This requirement may be waived if you have earned a bachelor's degree or higher at an accredited post-secondary institution.

For questions or assistance, please call 440.525.7349 or email orientation@lakelandcc.edu.

Pay Tuition and Fees

A variety of payment options are offered, including Lakeland's Tuition Loan Payment Plan that allows students to make installment payments over the course of the term. Tuition and fees can be paid through myLakeland and are due by the published deadline. The tuition schedule can be found at lakelandcc.edu/tuition.

ENROLLMENT RESOURCES

Log in to Your myLakeland Account and Student Email

MyLakeland offers instant access to all student information. The Lakeland student email is the official method of correspondence from the college. Students should log in to their myLakeland account and check their student email frequently for important information and announcements.

Apply for Financial Aid and Scholarships

Students interested in receiving financial aid must complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov/fafsa and use Lakeland's code 006804. Students can also quickly and easily apply for scholarships through the Scholarship Center. For more information, call Lakeland's Financial aid Office at 440.525.7070. The office can supply you with directions to submit information and paperwork to the college through a secure upload process.

Meet with a Counselor

It is highly recommended that all students meet with a counselor prior to registering for classes. Lakeland's Counseling and Advising Center assists student with advising appointment like mapping out schedules or exploring programs, and they can help with completion plans and transcript evaluations Call 440.525.7200 to make an appointment with one of our counselors.

Students who have a documented disability and feel they may need accommodations, should call Lakeland's Student Accommodation Center at 440.525.7020 to schedule an appointment with one of our counselors for students with disabilities.

SUMMER registration begins the first Monday in March. Students should see a counselor during the months of December, January and February.

FALL registration begins the first Monday in April. Students should see a counselor during the months of February and March.

SPRING registration begins the first Monday in November. Students should see a counselor during the months of September and October.

Register for Classes

Lakeland's class schedule is only available online to provide the most up-to-date course information. To view the schedule of classes, visit lakelandcc.edu/schedule or go to myLakeland and click on "Course Schedule Viewer."

Students should sign in to myLakeland to determine if they have any registration holds, for example missing transcripts or placement test scores, attendance needed at a student orientation session, or unpaid fees. Once registration holds are cleared, students will be able to register for classes.

Register for classes online in myLakeland.

Get Your Lakeland Student ID Card

Get your Lakeland student photo ID card in the bookstore or in Lakeland's Athletic and Fitness Center (AFC).

Buy Textbooks

Textbooks can be purchased in person at the bookstore or online at lakelandcc.edu/bookstore. Students may order books online and have them delivered to Lakeland's campus at no additional cost. Online order can also be delivered to the home at a minimal shipping cost, and orders of \$35 or more will be charged no shipping cost. In the online class schedule viewer, click on the book icon to view required book(s) and pricing. If special assistance is needed, the bookstore staff will work with students and Lakeland's Student Accommodation Center in acquiring class materials in the format required.

NOTE: Some books may be optional.

CAMPUS

Lakeland Community College is located on 400 wooded acres in Kirtland, OH, only 30 minutes northeast of Cleveland. The college offers more than 140 associate degree and certificate programs that may lead to high-demand careers or transfer to four-year institutions. The college also provides access to bachelor's, graduate and doctorate degrees along

with certificates and endorsement on campus through the Holden University Center of Lakeland, in partnership with 12 four-year institutions. In addition, Lakeland supports a multitude of social, cultural and sports activities through student groups, engaging lectures, a vibrant arts program, competitive sports, and an athletic and fitness center that has outdoor facilities such as soccer, baseball and softball fields as well as tennis courts. The historic and beautiful Mooreland Mansion, on Lakeland's campus, provides elegant surrounding and state-of-the-art amenities for meetings, conferences, banquets and special events.

Lakeland Student Email

The Lakeland student email is the official method of correspondence from the college. To access student email, log in to my.lakelandcc.edu. Check it early and check it often for important information on placement testing, financial aid and much more!

TYPES OF CLASSES

Co-op/Field

A co-op/field course provides on-the-job experience which takes place off-campus in support of a student's field of study.

Hybrid/Hybrid Lab

The hybrid (blended) course provides the advantages of weekly face-to-face interaction between faculty and students with the flexibility and convenience of less time in the classroom. Significant coursework and interactions between instructor, students, and classmates take place both in the on-campus classroom and online. The total amount of time required for the blended course is typically the same as with a traditional face-to-face course. The percentage of face-to-face on-campus classroom time is reduced as time devoted to online activities is increased. Blackboard Distance Learning is made possible by the use of Blackboard. Students who are registered in an online or hybrid class will be enrolled in Blackboard. Click on the Blackboard link found at my.lakelandcc.edu.

Lecture/Lab (face-to-face)

Lecture and lab course types provide traditional face-to-face instruction in an on-campus classroom and/or on-campus laboratory.

Online/Online Lab

In the fully online course, all course instruction is delivered online. Students are not required to come to campus to participate in any portion of the coursework or evaluation. There are no required synchronous (real-time) scheduled interactions (e.g., web-conferencing, chat, proctored exams). It is important to note the online course is not self-paced; students are expected to complete assignments and assessments on a schedule that is similar to the traditional course and aligns with the regular academic calendar.

Online WSR/WSR Lab

The online with synchronous requirements (WSR) course is delivered primarily online using Blackboard. The difference between the fully online and online-WSR is there are some required remote face-to-face or synchronous (real-time) interactions, such as: class orientation, regularly scheduled chat or web-conferencing sessions, and/or proctored exams. Please refer to the course syllabus for specific course requirements.

Self-Paced Courses

Self-paced courses are on-campus and computer-based to allow students to work at their own pace with instructor. Accelerated classes are eight-week or five-week courses taught in an accelerated format, placing a high degree of responsibility on students to complete assignments and projects outside the classroom.

Blackboard

Distance Learning is made possible by the use of Blackboard. Students who are registered in an online or hybrid class will be enrolled in Blackboard. Click on the Blackboard link found at my.lakelandcc.edu.

Want to learn more about learning remotely? Visit lakelandcc.edu/rlc for information on Lakeland's Remote Learning Concierge service.

CLASS SCHEDULE

Lakeland's credit class schedule is online only to provide students with the most accurate, up-to-date information. View the class schedule at lakelandcc.edu/schedule or go to myLakeland and click on "Course Schedule Viewer" on the log in page.

- Get real-time data for class offerings and seat availability.
- Search by session, subject, instructor, schedule type or keyword.
- View class descriptions and prerequisites.
- See required textbooks and pricing.
- Look up faculty profiles.

If you do not have access to a computer, computers are available outside the Student Service Center, in Room A-1047, in the Lakeland Library and in the Holden University Center.

MyLAKELAND

myLakeland is your student portal. To log in, you will need:

Username - Your username is the first part of your email address. For example, if jsmith12@mail.lakelandcc.edu is your email address, your username would be jsmith 12.

Password - Your default password is sent to the email address provided on your application for admission. For security purposes, the default password is a random series of characters. The first time you log in, you will be required to complete a set of security questions to help ensure the safety of your personal information. It is recommended that you also take the time to change your password to something you can more easily remember.

Multi Factor Authentication (MFA)

Your security is a top priority. With that in mind, Lakeland has implemented Multi Factor Authentication (MFA) to help ensure that no one can access your account except you! This means, that when accessing myLakeland, you will be asked to answer two of your security questions OR enter a code that is sent to your personal cellphone or personal email. When logging in, if you check the box "trust this device," you will not have to answer security questions every time you log in. However, you will be asked to verify your account occasionally or if something has changed with your device, browser or security settings.

myLakeland Mobile

Some of the most popular features of the public website and myLakeland were put into the mobile app for quick reference. Students can apply, register for classes, look up phone numbers, search the library catalog, find a building on a map, and look for a job. They can also view their grades, holds, class schedule, Schedule-It sessions, cancelled classes, campus events, and the academic calendar.

The myLakeland mobile app is now available for download from Google Play and Apple iTunes app stores. Simply search for "myLakeland."

Technology at Lakeland

Lakeland is dedicated to supplying students with the latest technology to help ensure success in higher education. From free on-campus Wi-Fi, computer labs and equipment rentals to online meeting spaces, personal Webex accounts and the full Microsoft Office 365 suite, Lakeland has it covered. View the Technology Guide to learn more.

HOW TO REGISTER FOR CLASSES

- Students should use the online schedule viewer (no log in required) at lakelandcc.edu/schedule to identify the classes they want to take and make note of the CRN number for each class. This CRN number is needed to register.
- Students must clear any registration holds (e.g., missing transcripts, missing placement tests, unpaid fees) before they can register for classes.
- Register for classes online in myLakeland.

PAYING FOR COLLEGE

Tuition and Fees

Lakeland provides quality education at an affordable price. Lakeland's tuition is about one-third the cost of most four-year schools.

Coming to Lakeland Community College for the first two years of your bachelor's degree can save you thousands in tuition. Use our 2+2 Tuition Comparison Calculator to see how much you can save. Visit lakelandcc.edu/2plus2calculator.

General fee is \$11.80 per credit hour for a maximum of 15 credit hours per term. The general fee is used to defray the costs of admissions, registration and other direct student services.

Career services fee is \$8.25 per credit hour for a maximum of 15 credit hours per term. The fee is used to cover such direct career services as academic planning, career counseling, transfer, and employment strategies. College Credit Plus students, students participating in apprenticeship programs, students aged 60 and older auditing a class and students taking noncredit classes are exempt from the career services fee.

Tuition and fees are subject to change. View lakelandcc.edu/tuition for more information.

- In addition to the general instructional fees, career services fee, and support services fee, students may be charged supplemental course and incidental fees due to the nature of certain courses. Supplemental fees are noted in the course listings available in the online schedule viewer in myLakeland.
- The support services fee of \$14.25 per term (\$4.25 for summer term) is paid by all students enrolled for credit irrespective of the number of credit hours taken. The fee covers parking, shuttle service, safety, exterior lighting, and cultural events; or rental of off-campus facilities.
- Senior citizens 60 years or older are offered a tuition-waiver program allowing them to audit credit courses on a space-available basis. Senior citizens taking advantage of this opportunity are responsible for purchasing course materials and books in addition to the general, lab and service fees. To take advantage of this opportunity, a senior citizen must be certified as eligible. Once certified as eligible, participants may register during the last two days of the enrollment period. Please contact the Student Service Center for an eligibility application and additional information. View the enrollment dates at lakelandcc.edu/web/about/important-dates for registration dates for each semester.

Residency Requirements

Residency requirements are posted on the college website. A change of address does not automatically change residency status. Proper documentation must be filed, reviewed and approved by the Student Service Center before residency status will be changed.

Forever Buckeye

Forever Buckeye is a provision under Ohio Law that allows students who graduated from an Ohio high school or completed the final year of instruction at home as authorized under section 3321.04 of the Revised code, to re-establish Ohio residency without the 12-month waiting period formally required to establish permanent domicile. The applicant only needs to provide proof of graduation from an Ohio high school, a permanent address in the state of Ohio, and have legal status to remain permanently in the United States.

PAYMENT OPTIONS

Visit lakelandcc.edu/tuition for current payment options and refund policies.

Personal Check / Web Check

- At Lakeland's Cashier's Office
- Online in myLakeland
- Mail to Lakeland's Cashier's Office at 7700 Clocktower Drive, Kirtland, Ohio 44094.

NOTE: There is a 10-business day waiting period before any financial HOLDS will be released.

Credit Card

- At Lakeland's Cashier's Office
- Online in myLakeland
- Visa, MasterCard or Discover

NOTE: Financial HOLDS will be removed the next business day (when college offices are open).

Scholarships

Students can now easily see if they qualify for any of the many Lakeland scholarships through the new online Scholarship Center.

- Online in myLakeland.
- Complete one simple application.
- Lakeland's Financial Aid Office will notify students of any scholarship offers.

Tuition Loan Payment Plan

Lakeland offers an online Tuition Loan Payment Plan to spread the cost of tuition and fees over the term. Visit lakelandcc.edu/tuition for current plan options and enrollment instructions.

Paying with Financial Assistance

- If students have received financial aid award notification via Lakeland student email, and have registered for the minimum number of credit hours required to receive the aid; aid will be applied to tuition charges.
- Class attendance will be reported by faculty.
- Refunds of excess financial aid will be released to students after attendance in their classes has been verified by Lakeland's Financial Aid Office. This process begins at the end of the second week of the semester. Students will receive their refund via check unless they are enrolled in eRefunds (direct deposit).
- Indirect educational expenses are the student's responsibility until the credit balance is received.
- Students not receiving the results of their financial aid application at the time of registration should inquire about applying for a Tuition Loan Payment Plan.

Even with our low tuition, we realize you may need some help. More than 50% percent of Lakeland students receive some form of financial assistance. Lakeland offers many types of financial assistance, including federal and state grants, scholarships, loans, and work-study employment. Visit lakelandcc.edu/financialaid for more information.

Lakeland Community College has over 130 scholarships available that can remarkably reduce the costs of a college education. Most scholarships provide funding toward tuition expenses, but they may also help with the costs for books and educational supplies. Not all scholarships require a high GPA, with some based solely on where a student lives, went to high school or major. Students can quickly and easily apply for scholarships through a one-step application process in the Scholarship Center.

eRefunds

Students are encouraged to register for electronic refunds, the quick, convenient and secure method of having refunds directly deposited into their bank account. Sign up in the "Billing Center" in myLakeland.

FINANCIAL AID

Lakeland offers many types of financial assistance including federal and state grants, scholarships, loans, and work-study employment.

To Apply for Financial Aid:

- Complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov/fafsa and use Lakeland Community College code 006804. The FAFSA should be completed every year.
- Complete a Lakeland scholarship application.

Remain Eligible for Financial Aid

- Attend class.
- Maintain Satisfactory Academic Progress (SAP).
- Submit all documents as requested by Lakeland's Financial Aid Office.

For more information, go to lakelandcc.edu/financialaid, call Lakeland's Financial Aid Office at 440.525.7070.

WITHDRAWALS AND CANCELLATIONS

Administrative Withdrawal Policy

Students will be administratively withdrawn from any class in which they are enrolled and have not attended during the first two weeks of the semester. Students are not permitted to begin attendance in a class after the second week.

Administrative withdrawals will occur at the beginning of the third week of classes at 50% refund for any student who the instructor marked as not attended.

Withdrawal from Classes

Students are able to withdraw from a class from the beginning of the second week through the end of the 12th week of the semester. A course withdrawal will be indicated on a student's academic record by a grade of "W." After the 12th week, no withdrawal is permitted. Failure to attend classes does not constitute withdrawal and may result in a failing grade. Students registered for courses other than the standard 16-week semester should visit lakelandcc.edu/web/about/important-dates for appropriate deadlines regarding withdrawal for summer term and fall or spring semesters.

Cancelled Classes

Occasionally the college must cancel a class because of insufficient enrollment. Students enrolled in the class will be notified of the cancellation as soon as possible and may replace the cancelled class. Students who do not wish to make a

substitution will have a reversal of charges for the cancelled class posted to their student account. The college reserves the right to cancel any classes due to unforeseen circumstances. Students with financial aid should call or email the Financial Aid Office or stop by the Student Service Center to determine how aid is affected.

COLLEGE CREDIT PLUS

[Lakeland's Admissions Office](#) • 440.525.7404 • [Building A-1002](#)

Lakeland Community College's College Credit Plus Program (CCP) offers high school students the opportunity to enroll at Lakeland on a part-time or full-time basis, and earn college credit, which may also be used to fulfill their high school graduation requirements. The intent of the CCP program is to offer a broad range of college level classes, which provide educational opportunities not typically available in high school. Admission into this program is open to students who have clearly demonstrated the ability to handle college-level coursework. Interested students need to attend an information session, complete an application, submit high school transcripts, take the placement test, and attend a CCP registration session. Home-school students and students who do not attend public schools must complete a Funding Application. More information at lakelandcc.edu/ccp.

LAKELAND HONORS

STUDENT SUCCESS

Lakeland provides many important services designed to keep students on track for the successful completion of the classes they need and continue onward to achieve their goal of a degree or certificate. Student success is encouraged through the following:

- Academic Study Skills Coaching – training and techniques in time management, organization, test-taking and many more.
- Completion Plans – maps out the pathways to completing degrees, certificates at the college or the seamless transfer to four-year colleges and universities.
- Degree Works – gives students access to their history of classes and progress toward completion of a degree or certificate.

- Early Alerts – identifies students who may need assistance overcoming challenges in their academics. Once identified, faculty are equipped to offer services from the college to help students conquer these obstacles.
- First Year Experience (FYEX) Class – prepares students to navigate the college environment and introduces them to the programs and services offered by the college.
- Learning Center – offers tutoring for most credit classes.
- Math-in-Minutes – walk-in sessions with peer math tutors who help with math concepts.
- Remote Learning Concierge – assistance for distance learning student to help them overcome barriers to success.
- Student Success Navigators – assistance with tutoring, other study skill strategies and connections to college resources.
- Test Center – offers a quiet location for taking the college placement test, College Level Examination Program (CLEP) tests, make-up tests, and for taking certification exams.
- Text and Email Messaging – sends motivational messaging encouraging students to continue toward their educational goals.
- Writing Center – writing consultants help students improve writing skills.

ADULT LEARNERS

Recruitment Center

440.525.7900. Building A-1040c

Returning to college when you are 25 or older can be challenging, but it can also be one of the best decisions you ever make! Lakeland's Recruitment Center can answer your questions, provide campus visits and help you navigate the enrollment process. Additionally, the center can connect you with the resources to help you choose an educational path, get financial assistance to pay for college, bring in transfer credits, and request credit for prior learning experience. There are many resources available to help you balance family, job and classroom responsibilities.

TRANSFER PROGRAMS

Transfer Center • 440.525.7338 • Building A-1040b

For many students, Lakeland is the first step on their higher education journey. Students can save on the cost of their education by taking as many classes at Lakeland as possible. Students can complete the first two years of a bachelor's degree and then transfer to most four-year colleges or universities. Many four-year institutions also offer transfer scholarships, making the cost even more affordable. Depending on the major, students may be able to stay at Lakeland to finish their four-year degree by participating in a partnership program offered at the Holden University Center. Preparation for transferring to a four-year institution should start the first semester.

Lakeland has many general articulation agreements and transfer guides for Ohio colleges and universities. Ohio Transfer 36 and Transfer Assurance Guide (TAG) course credits are guaranteed to transfer to any public college or university in Ohio. Students can check for course equivalencies at transferology.com or transfercredit.ohio.gov. Lakeland Community College is nationally accredited by the Higher Learning Commission, and our courses are recognized by all other accredited colleges across the country, so the credits can transfer to private or out-of-state institutions.

Lakeland's Transfer Center strives to provide a seamless process for students transferring college credits to and from Lakeland Community College. With this goal in mind, the transfer center provides the following services to all Lakeland students:

- Assisting with all phases of the transfer credit process.
- Providing Lakeland students with information about continuing their education at a four-year institution.
- Providing written and web-based equivalency guides and course articulation information.
- Maintaining a calendar of scheduled visits by representatives from four-year institutions.
- Providing contact information for college and university representatives.
- Hosting a college transfer fair.

Learn more by visiting lakelandcc.edu/transfer or calling Lakeland's Transfer Center at 440.525.7426.

Whether Lakeland is a steppingstone to a four-year college or university, an affordable option for taking extra summer classes, or the final destination in higher education, Lakeland's Transfer Center is here to help students achieve their goals.

Visiting (Transient) Students

Visiting students are currently attending another university or college and would like to take courses at Lakeland Community College for one term and have the credits transferred back to their home institution. Visiting students must complete Lakeland's Application for Admissions. And, to ensure the course(s) taken at Lakeland will transfer, the Visiting Student Registration Form must be completed by the appropriate official at the visiting student's home institution. This completed form must be received by Lakeland prior to registration. Visiting students are not eligible for financial aid at Lakeland. Contact Lakeland's Office of the Registrar at 440.525.7101 for more information.

HOLDEN UNIVERSITY CENTER

Established in fall 2011, the Holden University Center of Lakeland Community College offers convenient access to complete bachelor's and graduate degrees from a variety of leading colleges and universities. Built in response to the community's request for accessibility to higher education, the Holden University Center has brought over 50 bachelor's degree programs, 13 graduate degree programs, seven graduate certificates and endorsements, one doctoral program and lifelong learning opportunities from 11 university partners within reach of its Lake County residents.

Lakeland's Holden University Center is a state-of-the-art facility located directly across from Lakeland's main entrance. Designed specifically for students enrolled in Holden University Center degree programs, the technological capabilities allow for interactive distance learning, small group collaboration and independent study.

Classes are taught by Holden University Center partners. Graduates receive their degrees from the institution of their degree program. The degree is the same as having completed a program at the four-year campus. Each university partner determines its own tuition and fees. Bachelor's degree partners include: Bowling Green State University, Cleveland State University, Franklin University, Hiram College, Kent State University, Lake Erie College, Notre Dame College, The University of Akron, Ursuline College, and Youngstown State University. Graduate degree partners include: Bowling Green State University, John Carroll University, Lake Erie College, Notre Dame College, Ursuline College and Youngstown State University. Additional partnerships are under discussion.

Visit lakelandcc.edu/uc or call 440.525.7535 for more information, including degree programs offered.

HOLDEN UNIVERSITY CENTER NIGHTS - Join us for a general information session the last Wednesday of each month from 6-7 p.m. to learn about the university partners and programs available, your next steps to get started and the state-of-the-art learning environment.
