EMT BASIC / PARAMEDIC

Paramedic Certificate

As a first-responder, a paramedic's main goal is to prevent and reduce mortality and morbidity due to illness and injury. Many firefighters must also be certified paramedics.

Paramedics:

- » Work under the direction of a physician to recognize, assess, and manage medical emergencies of acutely ill or injured patients
- » Possess basic skills to open up airways, restore breathing, control bleeding, treat shock, and administer oxygen
- » May administer drugs, interpret electrocardiograms, perform endotracheal intubation, and use other complex equipment.

How long does it take to complete this program and be job-ready?

- » 12 month program, three days a week
- » Sessions start each spring and fall.

Must be a certified EMT Basic to apply.

Credential

Lakeland's program graduates are eligible to take the national exam to become a certified paramedic.
