Quickstart to College?

Prepare for college success and earn college credit at the same time!

If you are enrolled, or plan to enroll at Lakeland Community College for the fall semester, the Men's and Women's Centers are offering a college prep program that will:

- Refresh your math and English skills to help you get higher scores on the Placement Test (if you wish to retake it).
- Help you design an educational pathway.
- Allow you to earn one credit hour toward your degree.

Students who successfully complete the program will earn credit for the First Year Experience course (FYEX 1000).

We are currently enrolling a limited number of students. Tuition and book costs are waived for all students. Each student will have access to all student services at Lakeland.

Quickstart to College begins June 27!
