

# myLakeland Scholarship Center Application Process

## Scholarship Opportunities at Lakeland

Lakeland Community College is fortunate to be able to offer a wide variety of scholarships through The Lakeland Foundation. You only need to complete one online application each financial aid award year.

In order to apply for scholarships at Lakeland, you must be an active student, meaning you have submitted an admissions application and you have received your Lakeland ID number and your Lakeland email address.

### To apply for scholarships:

1. Log in to myLakeland.
2. Click the Student tab.
3. In the left-hand column under myRECORDS, click on Scholarship Center.
4. Click on Scholarship Application to access the online scholarship form.
5. Complete the questions presented on the form. Required questions are marked with an asterisk (\*). If you skip any of the required questions, you will be prompted to answer them before you can submit the application for review. Answering optional questions may increase your potential scholarship opportunities.
6. Once you have begun the scholarship application, you can choose to Save Progress or Submit Application.
  - [Save Progress](#) saves all of your current answers without submitting the application. This allows you to return to your application later to complete it or modify your responses.
  - [Submit Application](#) saves all of your current answers and submits your application for review and possible scholarship opportunities. Once the application is submitted, you can no longer update your answers.

Please note that you must "Submit Application" in order to be considered for scholarships. Returning students completing a renewal application, please review your previous responses and answer all new questions, shown as blank, before submitting your application.

7. When you are done working on your application, please remember to log out of the scholarship application to ensure the safety of your personal information. Click the Back to Scholarship Center button and then click LOGOUT.
