

Master of Science in Nursing

ON CAMPUS

Ursuline College offers a Master of Science in Nursing (MSN) degree in two tracks: Adult-Gerontology Primary Care Nurse Practitioner and Family Nurse Practitioner. The Ursuline MSN education is presented through a values-based framework that emphasizes critical thinking, problem solving, and core skills for direct advanced patient care nursing practice. Mission Statement of the MSN Program: Transforming the health of the community through reflection and healing interaction with individuals and organizations.

ADMISSION REQUIREMENTS:

- A bachelor's degree in nursing from an accredited college or university.
- Official degree transcript(s) for undergraduate or graduate academic coursework including one that verifies completion of an accredited baccalaureate program in nursing. Transcripts must be forwarded to the Office of Graduate Admission directly by the academic institution.
- Evidence of ability to do graduate work as indicated by a recommended 3.0 GPA documented on applicant's transcript(s) from the baccalaureate nursing program.
- Three recommendations utilizing the required recommendation form.
- Current, unencumbered Ohio Registered Nurse license.
- A current resume reflecting a minimum of one year work experience as a registered nurse. Nursing experience must be within the past two years.
