

The Fund for IT&CS Students

The Pledge of the Computing Professional Application

I'm ready to take the Pledge! I understand that by applying for these funds, I will need to attend the Pledge ceremony that will be held during the spring semester. I have read over the Pledge and the other information found at: pledge-of-the-computing-professional.org/.

Additional information on this fund can be found at: lakelandcc.edu/itcs.

Congratulations on your upcoming graduation. We wish you all the best.
