

LAKE ERIE
COLLEGE

Holden University Center
**Bachelor of Arts
in Communication**
CAMPUS

The Lake Erie College (LEC) Bachelor of Arts in Communication program offers a versatile degree grounded in the liberal arts tradition and designed for success in a variety of diverse environments. Students learn the role of communication in interpersonal, organizational, mass media and computer mediated contexts, as well as in persuasion and social influence. Communication majors develop skills in thorough research and in-depth critical analysis, clear writing and effective speaking, systematic evidence evaluation and detailed data collection, as well as comprehensive information synthesis and analytical interpretation. The program prepares students for a variety of careers and professional interests in fields such as public address, business, consulting, education, government, industrial labor relations, interviewing and research.

ADMISSION REQUIREMENTS:

Partnership students must meet the LEC transfer admission requirements, including being in good academic standing. A 2.5 cumulative grade-point average (GPA) is recommended. For more information and to apply online, go to <https://www.lec.edu/transfer>. Applications are processed on a rolling basis.

With an associate degree, all credits earned are accepted. A maximum of 90 semester hours or 136 quarter hours can be accepted from all accredited institutions.
