

Join the Lakeland Women's Volleyball team as they host

A GAME FOR CANCER AWARENESS

Saturday, Oct. 21 • 11 a.m. • Athletics and Fitness Center Gym

Players will wear and then sign pink warmups to be auctioned.

Money raised will be donated to the Lake Health/University Hospitals Seidman Cancer Center in Mentor

For more information, contact
Scott Barlow, director for athletics,
at 440.525. 7350 or sbarlow@lakelandcc.edu.

Lakeland
COMMUNITY COLLEGE
ATHLETICS

The volleyball cancer awareness game is one of Lakeland's 50 Acts of Service. Lakeland faculty, staff, administrators and students will give back to the community by participating in 50 volunteer community service projects throughout the year - one for every year of the college's existence. The intention is to complete projects of the size and scope that have a long-term or lasting impact on our community.
