How do I find my textbooks in the bookstore?

- Bring your class schedule to the bookstore.
- Textbooks are arranged alpha-numerically by subject, with a few exceptions (i.e., Math 1550 is shelved before Math 1650 and followed by Math 1700).
- Signs at the end of each aisle indicate which course subjects are in each row (ACCT - WELD).
- Identify desired textbook(s) by matching course schedule to shelf tag. (NOTE: some classes may require multiple textbooks.)
- Be sure that the subject, course number and 5-digit CRN match your course schedule. Refer to sample shelf tag below.
- Shelf tags labeled ALL SECTIONS include all sections of that particular class (in-class, online, etc.).
- New and used prices are listed as well as rental prices, if applicable.
