ABOUT LAKE LAND
For more than 50 years, Lakeland Community College has impacted thousands of lives through learning. Founded in 1967, Lakeland was the first college in Ohio created by a vote of the people. True to its mission, the college provides quality learning opportunities to more than 10,000 credit students to meet the needs of the community at its main campus in Kirtland and online.

Accredited by The Higher Learning Commission, Lakeland offers more than 130 associate degree and certificate programs that may lead to high-demand careers or transfer to four-year institutions. The college also provides access to bachelor’s, graduate and doctorate degrees along with certificates and endorsements on campus through the Holden University Center of Lakeland, in partnership with 11 four-year institutions.
Tuition must be PAID IN FULL or the student must be enrolled in a Tuition Loan Payment Plan. Visit lakelandcc.edu/tuition for the current tuition payment plans, refund dates and more. When registering for multiple sessions, the earliest tuition due date applies.

ACADEMIC PROGRAMS

DEGREE & CERTIFICATE PROGRAMS

Lakeland’s degree program prepares students for a career in a high demand field or for transfer to a four-year college or university. In addition to the associate degree program, specifically designed sequences leading to the awarding of certificates have been developed in cooperation with industry, commerce and local government to provide opportunities for people seeking to improve their occupational skills or to retrain for new occupations.

Lakeland Community College is accredited through the Higher Learning Commission (HLC) and participates in the Academic Quality Improvement Program (AQIP).

NEW AND TRANSFER STUDENT ENROLMENT CHECKLIST

✔️ Apply for Admission

All new students need to apply for admission to Lakeland. Apply online at lakelandcc.edu/apply or in person at the Student Service Center (SSC), located on the first floor of the A-Building. The SSC is the one-stop location on campus where students can receive help with admissions, registration and financial aid. A $15 non-refundable application fee will be added upon registering for classes.

✔️ Submit Transcripts

All students are required to submit a final, official high school transcript (showing graduation date) or GED and all official college transcripts (showing one successful semester of coursework) prior to registering for classes. Students should contact their high school guidance counselor and/or former college Admissions Offices and request to have all the transcripts sent directly to Lakeland’s Admissions Office.

✔️ Take the Placement Test

Course placement tests help to determine proper course selection. Lakeland requires placement testing in English and mathematics prior to registration. Testing is available on a walk-in basis in the test center or by appointment. Students can schedule an appointment online in myLakeland after receiving their admission notification.

Lakeland’s Learning Center offers free placement test preparation sessions in English writing and math for prospective students. Students can call 440.525.7019 to register for a session. For additional test preparation information, visit lakelandcc.edu/placement.

ACT/SAT scores can be submitted to the Student Service Center in lieu of the placement test. Students with ACT/SAT sub scores below the college readiness level are encouraged to take the placement test. For more information, visit lakelandcc.edu/placement.

Students can obtain college credit for introductory-level courses by taking special examinations at Lakeland through the College Board’s College-Level Examination Program (CLEP). Visit lakelandcc.edu/web/about/clep-test to learn more.

✔️ Schedule a New Student Orientation Session

All students must attend a new student orientation session, where they will meet with a counselor, register for classes and get their student ID. Transcript evaluation happens as part of the New Student Orientation for transfer students. They will also receive information about financial aid, scholarships and how to purchase textbooks. Register for orientation sessions online in myLakeland.

✔️ Pay Tuition and Fees

A variety of payment options are offered. Visit lakelandcc.edu/tuition to learn more. Tuition and fees can be paid online in myLakeland, in person at the Cashier’s Office in the A-Building, or by phone at 440.525.7133. Tuition and fees are due by the published deadlines – found on pages 1-3. See page 14 for more information.

ENROLLMENT RESOURCES

✔️ Log in to Your myLakeland Account and Student Email

myLakeland offers instant access to all student information. The Lakeland student email is the official method of correspondence from the college. Students should log in to their myLakeland account and check their student email frequently for important information and announcements.

✔️ Apply for Financial Aid and Scholarships

Students interested in receiving financial aid must complete the Free Application for Federal Student Aid (FAFSA) at Studentaid.ed.gov/fafsa and use Lakeland’s code 006804. Students can also quickly and easily apply for scholarships through the Scholarship Center. See page 15 for details. For more information, call Lakeland’s Financial Aid Office at 440.525.7070 or visit the Student Service Center, located on the first floor of the A-Building.

✔️ Meet with a Counselor

It is highly recommended that all students meet with a counselor prior to registering for classes. Walk-in sessions are available Mondays 8-11:15 a.m. and Tuesdays 1-4:15 p.m. Sign in is at the Student Service Center. Sign in may end sooner based on counselor availability. Students can also meet with a counselor by scheduling an appointment by calling 440.525.7200.

Students who have a documented disability and feel they may need accommodations, should call Lakeland’s Student Accommodation Center at 440.525.7200 to schedule an appointment with one of our counselors for students with disabilities.
**FALL registration** begins the first Monday in April. Students should see a counselor during the months of February and March.

**SPRING registration** begins the first Monday in November. Students should see a counselor during the months of September and October.

**SUMMER registration** begins the first Monday in March. Students should see a counselor during the months of December, January and February.

Register for Classes

Lakeland's class schedule is only available online to provide the most up-to-date course information. To view the schedule of classes, visit lakelandcc.edu/schedule or go to myLakeland and click on “Course Schedule Viewer.” Students should sign in to myLakeland to determine if they have any registration holds (e.g., missing transcripts or placement test scores, attendance needed at a student orientation session, or unpaid fees). Once registration holds are cleared, students will be able to register for classes.

Register for classes online in myLakeland, in person at the Student Service Center, or by calling Lakeland’s Registration Office at 440.525.7100 or toll free at 1.800.589.8520.

Get Your Lakeland Student ID Card

Photos for the Lakeland student ID card are taken in the Lakeland Library or the Athletic and Fitness Center.

Buy Textbooks

Textbooks can be purchased in person at the bookstore or online at lakelandcc.edu/bookstore. Students may order books online and have them delivered to Lakeland's campus at no additional cost. In the online class schedule viewer, click on the book icon 📚 to view required book(s) and pricing.

**NOTE:** some books may be optional.

See pages 10-13 for a more complete guide of resources available through myLakeland.

CAMPUS

Lakeland Community College is located on 400 wooded acres in Kirtland, OH, only 30 minutes northeast of Cleveland. The college offers more than 130 associate degree and certificate programs that may lead to high-demand careers or transfer to four-year institutions. The college also provides access to bachelor’s, graduate and doctorate degrees along with certificates and endorsements on campus through the Holden University Center of Lakeland, in partnership with 11 four-year institutions. In addition, Lakeland supports a multitude of social, cultural and sports activities through student groups, engaging lectures, a vibrant arts program, competitive sports, and an athletic and fitness center that has outdoor facilities such as soccer, baseball and softball fields as well as tennis courts. The historic and beautiful Mooreland Mansion, on Lakeland’s campus, provides elegant surroundings and state-of-the-art amenities for meetings, conferences, banquets and special events.
TYPES OF CLASSES

Accelerated Classes
Accelerated classes are eight-week or five-week courses taught in an accelerated format, placing a high degree of responsibility on students to complete assignments and projects outside the classroom.

Online Courses
In the fully online course, all course instruction is delivered online. Students are not required to come to campus to participate in any portion of the coursework. There are no required synchronous (real-time) scheduled interactions (e.g., web-conferencing, chat). Proctored testing may be required on-campus or elsewhere. Please refer to the course syllabus or contact the course instructor for specific course requirements. It is important to note; the online course is not self-paced; students are expected to complete assignments and assessments on a schedule that is similar to the traditional course and aligns with the regular academic calendar.

Online with Synchronous Requirements (WSR)
The Online-WSR course is delivered primarily online using Blackboard. The difference between the fully online and Online-WSR is there are some required face-to-face or synchronous (real-time) interactions, such as: class orientation, regularly scheduled chat or web-conferencing sessions, and/or proctored exams. Please refer to the course syllabus for specific course requirements.

Blended
The blended (hybrid) course provides the advantages of weekly face-to-face interaction between faculty and students with the flexibility and convenience of less time in the classroom. Significant coursework and interactions between instructor, students and classmates take place both in the classroom and online.

Web-Assisted (enhanced)
The web-assisted course is delivered primarily in the classroom with no reduction in classroom seat-time. The course syllabus and grades may be posted online along with some course materials and/or activities requiring student access to a learning management system (LMS) such as Blackboard.

Interactive Video Distance Learning (IVDL)
IVDL classrooms combine the traditional face-to-face instruction with distance learning by using special video and audio-conferencing technology to connect two or more classrooms. Students located in one classroom are able to interact in real-time with an instructor and students located at a distance.

Self-Paced Courses
Self-paced courses allow students to work at their own pace, so they may get ahead and finish in fewer weeks. Students attend class two days a week, work on a computer at their own pace during class time (no lecture), and get instant help when they need it.

Learning Communities
Learning communities are two or more classes linked together in ways that meaningfully connect the content of each course. The classes are taught by two different instructors; however, the same students attend both classes.

Study Abroad
Study abroad opportunities offer classroom learning with international travel to provide a unique global learning experience.

Visit lakelandcc.edu/dl for a full listing of class types.
Lakeland's credit class schedule is online only to provide students with the most accurate, up-to-date information. View the class schedule at lakelandcc.edu/schedule or go to myLakeland and click on "Course Schedule Viewer" on the login page.

- Get real-time data for class offerings and seat availability.
- Search by session, subject, instructor, schedule type or keyword.
- View class descriptions and prerequisites.
- See required textbooks and pricing.
- Look up faculty profiles.

Don't have access to a computer? Computers are available outside the Student Service Center, in the Lakeland Library, and in any of the college's open computer labs.
myLakeland

myLakeland is your student portal. To log in, you will need:

Username - Your username is the first part of your email address (for example if jsmith12@mail.lakelandcc.edu is your email address, your username would be jsmith12).

Password - Your default password is sent to the email address provided on your application for admission. For security purposes, the default password is a random series of characters. The first time you log in, you will be required to complete a set of security questions to help ensure the safety of your personal information. It is recommended that you also take the time to change your password to something you can more easily remember.

myLakeland Mobile

Some of the most popular features of the public website and myLakeland were put into the mobile app for quick reference. Students can apply, register for classes, look up phone numbers, search the library catalog, find a building on a map, and look for a job. They can also view their grades, holds, class schedule, Schedule-It sessions, cancelled classes, campus events, and the academic calendar.

The myLakeland mobile app is now available for download from Google Play and Apple iTunes app stores. Simply search for "myLakeland."

Technology at Lakeland

Lakeland is dedicated to supplying students with the latest technology to help ensure success in higher education. From free on-campus Wi-Fi, computer labs and equipment rentals to online meeting spaces, personal WebEx accounts and the full Microsoft Office 365 suite, Lakeland has it covered. View the Technology Guide to learn more.
HOW TO REGISTER FOR CLASSES

• Students should use the online schedule viewer (no log in required) at lakelandcc.edu/schedule to identify the classes they want to take and make note of the CRN number for each class. This CRN number is needed to register.
• Students must clear any registration holds (e.g., missing transcripts, missing placement tests, unpaid fees) before they can register for classes.
• Register for classes online in myLakeland or Lakeland’s mobile app, in person at the Student Service Center in Room A-1002, or by phone at 440.525.7101 or toll free at 1.800.589.8520.

PAYING FOR COLLEGE
TUITION AND FEES

Lakeland provides quality education at an affordable price. Lakeland’s tuition is about one-third the cost of most four-year schools.

General fee is $11.80 per credit hour for a maximum of 15 credit hours per term. The general fee is used to defray the costs of admissions, registration and other direct student services.

Career services fee is $8.25 per credit hour for a maximum of 15 credit hours per term. The fee is used to cover such direct career services as academic planning, career counseling, transfer, and employment strategies. College Credit Plus students, students participating in apprenticeship programs, students age 60 and older auditing a class and students taking noncredit classes are exempt from the career services fee.

Tuition and fees are subject to change. View lakelandcc.edu/tuition for more information.

- In addition to the general instructional fees, career services fee, and support services fee, students may be charged supplemental course and incidental fees due to the nature of certain courses. Supplemental fees are noted in the course listings available in the online schedule viewer in myLakeland.

- The support services fee of $14.25 per term ($4.25 for summer term) is paid by all students enrolled for credit irrespective of the number of credit hours taken. The fee covers parking, shuttle service, safety, exterior lighting, and cultural events; or rental of off-campus facilities.

- Senior citizens 60 years or older are offered a tuition-waiver program allowing them to audit credit courses on a space-available basis. Senior citizens taking advantage of this opportunity are responsible for purchasing course materials and books in addition to the general, lab and service fees. To take advantage of this opportunity, a senior citizen must be certified as eligible. Once certified as eligible, participants may register during the last two days of the enrollment period. Please contact the Student Service Center for an eligibility application and additional information. View pages 1-3 for registration dates for summer term or fall or spring semesters.

eRefunds
Students are encouraged to register for electronic refunds, the quick, convenient and secure method of having refunds directly deposited into their bank account. Sign up in the “Billing Center” in myLakeland (see page 13 for instructions).

Residency Requirements
Residency requirements are posted on the college website. A change of address does not automatically change residency status. Proper documentation must be filed, reviewed and approved by the Student Service Center before residency status will be changed.

- Online in myLakeland.
- Complete one simple application.
- The Lakeland Financial Aid Office will notify students of any scholarship awards.

Tuition Loan Payment Plan
Many tuition payment plans are available. Visit lakelandcc.edu/tuition for current plan options and enrollment instructions.

Paying with Financial Assistance
- If students have received a financial aid award notification via myLakeland, and have registered for the minimum number of credit hours required to receive the aid, aid will be applied to tuition charges.
- Class attendance will be reported by faculty.
- Refunds of excess financial aid will be released to students after attendance in their classes has been verified by the Lakeland Financial Aid Office. This process begins at the end of the second week of the semester. Students will receive their refund via check unless they are enrolled in eRefunds (direct deposit).*

*(See page 13 “Make a Payment / View My Student Account / Enroll in eRefunds.”)
- Indirect educational expenses are the student’s responsibility until the credit balance is received.
- Students not receiving the results of their financial aid application at the time of registration should inquire about applying for a Tuition Loan Payment Plan.

Even with our low tuition, we realize you may need some help. More than 50% of Lakeland students receive some form of financial assistance. Lakeland offers many types of financial assistance, including federal and state grants, scholarships, loans, and work-study employment.

Visit lakelandcc.edu/financialaid for more information.
FINANCIAL AID
Lakeland offers many types of financial assistance including federal and state grants, scholarships, loans, and work-study employment.

To Apply for Financial Aid:
- Complete the Free Application for Federal Student Aid (FAFSA) at Studentaid.ed.gov/fafsa and use Lakeland Community College code 006804. The FAFSA should be completed every year.
- Complete a Lakeland scholarship application (see page 12).

Remain Eligible for Financial Aid:
- Attend class.
- Maintain Satisfactory Academic Progress (SAP).
- Submit all documents as requested by Lakeland’s Financial Aid Office.

For more information, go to lakelandcc.edu/financialaid, call Lakeland’s Financial Aid Office at 440.525.7070, or visit the Student Service Center located on the first floor of the A-Building.

WITHDRAWALS / CANCELLATIONS

Administrative Withdrawal Policy
Students will be administratively withdrawn from any class in which they are enrolled and have not attended during the first two weeks of the semester. Students are not permitted to begin attendance in a class after the second week. Administrative withdrawals will occur at the beginning of the third week of classes at 0% refund for any student who the instructor marked as not attended.

Withdrawal From Classes
Students are able to withdraw from a class from the beginning of the second week through the end of the 12th week of the semester. A course withdrawal will be indicated on a student’s academic record by a grade of “W.” After the 12th week, no withdrawal is permitted. Failure to attend class(es) does not constitute withdrawal and may result in a failing grade. Students registered for courses other than the standard 16-week semester should consult pages 1-3 for appropriate deadlines regarding withdrawal for summer term and fall or spring semesters.

Cancelled Classes
Occasionally the college must cancel a class because of insufficient enrollment. Students enrolled in the class will be notified of the cancellation as soon as possible and may replace the cancelled class. Students who do not wish to make a substitution will have a reversal of charges for the cancelled class posted to their student account. The college reserves the right to cancel any classes due to unforeseen circumstances. Students with financial aid should call or email the Financial Aid Office or stop by the Student Service Center to determine how aid is affected.

Complete the FREE Application for Federal Student Aid (FAFSA) at:
- Online at Studentaid.ed.gov/fafsa.
- Download the myStudentAid app and fill out your FAFSA form on your phone.
Use Lakeland Community College code 006804.
COLLEGE CREDIT PLUS
Lakeland’s Admissions Office
440.525.7404 • Building A-1002

Lakeland Community College’s College Credit Plus Program (CCP) offers high school students the opportunity to enroll at Lakeland on a part-time or full-time basis, and earn college credit, which may also be used to fulfill their high school graduation requirements. The intent of the CCP program is to offer a broad range of college level classes, which provide educational opportunities not typically available in high school. Admission into this program is open to students who have clearly demonstrated the ability to handle college-level coursework. Interested students need to attend an information session, complete an application, submit high school transcripts, take the placement test, and attend a CCP registration session. Home school students and students who do not attend public schools must complete a Funding Application. More information at lakelandcc.edu/ccp.

LAKELAND HONORS

The honors program aligns both curricular and experiential opportunities to the honors pillars of community, leadership and opportunity.

Students can expect:
• An honors curriculum.
• Experiential opportunities and programming.
• Ease of transfer to a partner college or university.
• A unique honors portfolio upon program completion.

Admission requirements include a 3.5 high school GPA and submission of ACT or SAT scores.

Honors scholarships available!
Visit lakelandcc.edu/honors for more information.
STUDENT SUCCESS

Lakeland provides many important services designed to keep students on track for the successful completion of the classes they need, and continue on to achieve their goal of a degree or certificate. Student success is encouraged through the following:

- **Learning Center** – offers tutoring for most credit classes, a writing center, and drop-in assistance for quick help.
- **Test Center** – offers a quiet location for taking the college placement test, College Level Examination Program (CLEP) tests, make-up tests, and for taking certification exams.
- **Math Resource Room** – as an extension of the learning center, this room provides free tutoring in mathematics from peer and professional tutors as well as a math-in-minutes table for drop-in assistance with concepts and homework.
- **Academic Study Skills** – training and techniques are provided for students needing assistance with time-management, organization, test taking, and many other important academic and life skills.
- **First Year Experience (FYEX) Class** – prepares students to navigate the college environment and introduces them to the programs and services offered by the college.
- **Completion Plans** – map out the pathways to completing degrees or certificates at the college or the seamless transfer to four-year colleges and universities.
- **Degree Works** – gives students access to their history of classes and progress toward completion of a degree or certificate.
- **Early Alerts** – identifies students who may need assistance overcoming challenges in their academics. Once identified, faculty are equipped to offer services from the college to help students conquer these obstacles.
- **Text and Email Messaging** – sends motivational messaging encouraging students to continue toward their educational goals.

ADULT LEARNERS

**Recruitment Center**
440.525.7900 • Building A-1040c

Returning to college when you are 25 or older can be challenging, but it can also be one of the best decisions you ever make! Lakeland’s Recruitment Center can answer your questions, provide campus visits and help you navigate the enrollment process. Additionally, the center can connect you with the resources to help you choose an educational path, get financial assistance to pay for college, bring in transfer credits, and request credit for prior learning experience. There are also many on-campus resources available to help you balance family, job and now, classroom responsibilities.
TRANSFER PROGRAMS
Transfer Center • 440.525.7338 • Building A-1040b

For many students, Lakeland is the first step on their higher education journey. Students can save on the cost of their education by taking as many classes at Lakeland as possible. Students can complete the first two years of a bachelor’s degree and then transfer to most four-year colleges or universities. Many four-year institutions also offer transfer scholarships, making the cost even more affordable. Depending on the major, students may be able to stay at Lakeland to finish their four-year degree by participating in a partnership program offered at the Holden University Center. Preparation for transferring to a four-year institution should start the first term or semester.

Lakeland has many general articulation agreements and transfer guides for Ohio colleges and universities. Ohio Transfer Module (OTM) and Transfer Assurance Guide (TAG) course credits are guaranteed to transfer to any public college or university in Ohio. Students can check for course equivalencies at transferology.com or transfercredit.ohio.gov. Lakeland Community College is nationally accredited by the Higher Learning Commission, and our courses are recognized by all other accredited colleges across the country, so the credits can transfer to private or out-of-state institutions.

Lakeland’s Transfer Center strives to provide a seamless process for students transferring college credits to and from Lakeland Community College. With this goal in mind, the transfer center provides the following services to all Lakeland students:

- Assisting with all phases of the transfer credit process.
- Providing Lakeland students with information about continuing their education at a four-year institution.
- Providing written and web-based equivalency guides and course articulation information.
- Maintaining a calendar of scheduled visits by representatives from four-year institutions.
- Providing contact information for college and university representatives.
- Hosting a college transfer fair in the fall and spring.

Whether Lakeland is a steppingstone to a four-year college or university, an affordable option for taking extra summer classes, or the final destination in higher education, Lakeland’s Transfer Center is here to help students achieve their goals.

Transient Students

Students from other accredited colleges and universities can enroll at Lakeland for one term only with the goal of transferring Lakeland credits back to their former school for continued study. Students are encouraged to submit a transcript or statement of approval from the home institution or they may be required to participate in placement testing at Lakeland. Transient students must complete an Application for Admission, the Transient Student Form, and a Request for Transcript Record. They also must pay the one-time nonrefundable $15 fee. It is recommended that transient students check for course equivalency at transferology.com or transfercredit.ohio.gov when registering for classes. Transient students are not eligible for federal or state financial aid. Contact Lakeland’s Student Service Center for more information.

SEE HOW MUCH…

money you can save by starting your bachelor’s degree at Lakeland
lakelandcc.edu/2plus2calculator
Established in fall 2011, the Holden University Center of Lakeland Community College offers convenient access to complete bachelor’s and graduate degrees from a variety of leading colleges and universities. Built in response to the community’s request for accessibility to higher education, the Holden University Center has brought 22 bachelor’s degree programs, 14 graduate degree programs, seven graduate certificates and endorsements and one doctoral program from 11 university partners within reach of its Lake County residents.

Lakeland's Holden University Center is a state-of-the-art facility located directly across from Lakeland's main entrance. Designed specifically for students enrolled in Holden University Center degree programs, the technological capabilities allow for interactive distance learning, small group collaboration and independent study.

Classes are taught by Holden University Center partners. Graduates receive their degrees from the institution of their degree program. The degree is the same as having completed a program at the four-year campus. Each university partner determines its own tuition and fees.

Bachelor’s degree partners include: Bowling Green State University, Cleveland State University, Franklin University, Hiram College, Kent State University, Lake Erie College, Notre Dame College, The University of Akron, Ursuline College, and Youngstown State University. Graduate degree partners include: Bowling Green State University, John Carroll University, Lake Erie College, Notre Dame College, Ursuline College and Youngstown State University. Additional partnerships are under discussion.

Visit lakelandcc.edu/uc or call 440.525.7535 for more information, including degree programs offered.
