Scholarship Opportunities at Lakeland

Lakeland Community College is fortunate to be able to offer a wide variety of scholarships through The Lakeland Foundation. You only need to complete one online application each financial aid award year.

In order to apply for scholarships at Lakeland, you must be an active student, meaning you have submitted an admissions application and you have received your Lakeland ID number and your Lakeland email address.

The majority of Lakeland's scholarships require completion of the Free Application for Federal Student Aid (FAFSA). It is strongly encouraged that, in addition to the scholarship application, the FAFSA should be completed at studentaid.gov/fafsa for you to be considered for all Lakeland scholarships, federal and state financial aid. NOTE: In addition to the scholarship application, international students must also submit an International Student Supplemental Scholarship Form (available from Lakeland's Financial Aid Office).

To apply for scholarships:

1. Log in to myLakeland.
2. Click the Student tab.
3. Under myRECORDS, click on Scholarship Center.
4. Click on Scholarship Application to access the online scholarship form.
5. Select "Academic Yr."
6. Complete the questions presented on the form. Required questions are marked with an asterisk (*). If you skip any of the required questions, you will be prompted to answer them before you can submit the application for review. Answering optional questions may increase your potential scholarship opportunities.
7. Once you have begun the scholarship application, you can choose to Save Progress or Submit Application.
 - [Save Progress](#) saves all of your current answers without submitting the application. This allows you to return to your application later to complete it or modify your responses.
 - [Submit Application](#) saves all of your current answers and submits your application for review and possible scholarship opportunities. Once the application is submitted, you can no longer update your answers.

Please note that you must "Submit Application" in order to be considered for scholarships. If you are a returning student completing a renewal application, please review your previous responses and answer all new questions, shown as blank, before submitting your application.

8. When you are done working on your application, please remember to log out of the scholarship application to ensure the safety of your personal information. Click the Back to Scholarship Center button and then click LOGOUT.
