

Would you like a **QUICKSTART TO COLLEGE?**

Prepare for college success and earn college credit at the same time!

If you are enrolled, or plan to enroll at Lakeland Community College for the fall semester, the Men's and Women's Centers are offering a six-week college prep option that will:

- Refresh your math skills to help you get higher scores on the placement test (if you wish to retake it).
- Help you learn to take an online class. Class includes both in-person and online instruction.
- Allow you to earn one credit hour toward your degree.

Students who successfully complete Quickstart to College will earn credit for the First Year Experience course (FYEX 1000).

We are currently enrolling a limited number of students. Tuition and book costs are waived for all students. Technology assistance provided, including Chromebook computer loans if needed.

Lakeland
COMMUNITY COLLEGE

**Quickstart to College
begins June 22!**
