Juror's Statement:

It was great to hear the news from Mary Urbas, coordinator of the Gallery at Lakeland College, that it was time for my service to jury the pristine expressions of art in all it's diversity. I had no idea of the quantity of work submitted until Mary suggested a visit to my home with her computer programmed with all the images of submitted art in various mediums.

We spent about nine or so hours the following day and we finished by 6 p.m. selecting work, and the approach was so valuable. The exhibition is a chorus of fine quality, diverse expressions, important visual statements and fine craftsmanship. My best wishes to Mary Urbas' Willing Workers who tirelessly made my jurying joyfully assisted. — *Jae Jarrell*
