ABOUT LAKELAND

For more than 50 years, Lakeland Community College has impacted thousands of lives through learning. Founded in 1967, Lakeland was the first college in Ohio created by a vote of the people. True to its mission, the college provides quality learning opportunities to nearly 8,000 credit students to meet the needs of the community at its main campus in Kirtland and online.

Accredited by The Higher Learning Commission, Lakeland offers more than 140 associate degree and certificate programs that may lead to high-demand careers or transfer to four-year institutions. The college also provides access to bachelor’s, graduate and doctorate degrees along with certificates and endorsements on campus through the Holden University Center of Lakeland, in partnership with 10 four-year institutions.

Mission Statement:
To provide quality learning opportunities to meet the social and economic needs of the community.

Core Values:
Excellence - ensuring high quality services and learning opportunities through assessment for continuous improvement.

Accessibility - serving as a center of learning for all people by removing barriers, strengthening relationships, and maintaining affordability.

Diversity - fostering equity, inclusion and civility by respecting and celebrating differences among individuals and communities.

Integrity - committing to high standards of personal and professional behavior within a culture of honesty and trust.

Innovation - empowering learners and communities to be creative and versatile in their thinking and performance.

Joy - creating diverse and vibrant learning communities that inspire lifelong learning.

NEW AND TRANSFER STUDENT ENROLLMENT CHECKLIST

☑️ Apply for Admission
   All new students need to apply for admission to Lakeland. Apply online at lakelandcc.edu/apply. The $15 application fee is currently being waived.

☑️ Submit Transcripts
   All new, first-year students are required to submit a final, official high school transcript (showing graduation date) or GED transcript. New transfer students are required to submit official transcript(s) from all post-secondary institutions attended (even if no credit was earned). If less than 15 credit hours were earned at an accredited post-secondary institution, a final, official high school transcript (showing graduation date) or GED transcript must also be submitted.

Any student pursuing a health technology program must submit an official high school transcript or GED transcript. Please contact your former high school and/or post-secondary institution(s) to request your transcripts be sent directly to Lakeland’s Admissions Office.

☑️ Take the Placement Test (if required)
   Lakeland requires placement testing in English and mathematics prior to course registration. Once officially admitted to Lakeland, students can schedule a placement test through myLakeland to help determine proper course selection; a scheduled appointment is required. For placement test or for test preparation information, visit lakelandcc.edu/placement. Students may be exempt from placement testing if they meet one of the following:
   • Submit college readiness level ACT or SAT scores in math and English or an official high school transcript with required unweighted GPA and/or specific course subject grade. For more information, visit lakelandcc.edu/placement and click on the Math and English Placement Summary document.
   • Register for classes as a visiting student from another college or university.
   • Register for courses as a non-degree/certificate student.
   • Transfer to Lakeland from another accredited college or university with at least 15 semester credits.
   Contact Lakeland’s Admissions Office at 440.525.7100 for more information regarding qualifying exemptions.

☑️ Complete New Student Orientation Session
   New Student Orientation will need to be completed in two separate parts. For the first part, all students must complete the New Student Online Orientation session through their myLakeland account. (Once officially admitted to Lakeland, students will receive instructions on how to access the New Student Online Orientation session via their Lakeland student email.) Once part one is completed, students will meet with an academic counselor; register for classes; discuss access to technology; and receive information about financial aid/scholarships, how to get a student ID card and how to purchase textbooks. A scheduled appointment is required. This requirement may be waived if you have earned a bachelor’s degree or higher at an accredited post-secondary institution.

☑️ Pay Tuition and Fees
   Lakeland offers many types of financial assistance, including federal and state grants, loans, work-study employment and over 130 scholarships that can reduce the costs of a college education. To apply for financial aid at Lakeland, students must complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov/fafsa using Lakeland’s school code of 006804. Students can also apply for scholarships at Lakeland through the Scholarship Center in myLakeland (under myRECORDS). For information or assistance regarding financial aid, visit lakelandcc.edu/financialaid.

   Additionally, Lakeland offers a variety of payment options, including a Tuition Loan Payment Plan that allows students to make installment payments over the course of the term. Tuition and fees can be paid through myLakeland and are due by the published deadline. View the tuition schedule at lakelandcc.edu/tuition.

ENROLLMENT RESOURCES

☑️ Log in to Your myLakeland Account and Student Email
   myLakeland offers instant access to all student information. The Lakeland student email is the official method of correspondence from the college. Students should log in to their myLakeland account and check their student email frequently for important information and announcements.

☑️ Apply for Financial Aid and Scholarships
   Students interested in receiving financial aid must complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov/fafsa and use Lakeland’s code 006804. Students can apply quickly and easily for scholarships at Lakeland through the Scholarship Center in myLakeland code of 006804. Students can also apply for scholarships at Lakeland through the Scholarship Center in myLakeland (under myRECORDS). For information or assistance regarding financial aid, visit lakelandcc.edu/financialaid.

   Additionally, Lakeland offers a variety of payment options, including a Tuition Loan Payment Plan that allows students to make installment payments over the course of the term. Tuition and fees can be paid through myLakeland and are due by the published deadline. View the tuition schedule at lakelandcc.edu/tuition.

☑️ Meet with a Counselor
   It is highly recommended that all students meet with a counselor prior to registering for classes. Lakeland’s Counseling and Advising Center assists students with advising appointments (mapping out schedules, exploring programs), completion plans, and transcript evaluations. Call 440.525.7200 to make an appointment with one of our counselors.

   Students who have a documented disability and feel they may need accommodations, should call Lakeland’s
Student Accommodation Center at 440.525.7020 to schedule an appointment with one of our counselors for students with disabilities.

**SUMMER registration** begins the first Monday in March. Students should see a counselor during the months of January and February.

**FALL registration** begins the first Monday in April. Students should see a counselor during the months of February and March.

**SPRING registration** begins the first Monday in November. Students should see a counselor during the months of September and October.

**Register for Classes**

Lakeland’s class schedule is only available online to provide the most up-to-date course information. To view the schedule of classes, visit lakelandcc.edu/schedule or go to the myLakeland log in page and click on “Course Schedule Viewer.”

Students should sign in to myLakeland to determine if they have any registration holds (e.g., placement test scores, New Student Orientation, or unpaid fees). Once registration holds are cleared, students will be able to register for classes.

Register for classes online in myLakeland.

**Get Your Student ID Card**

Get your Lakeland student photo ID card in the bookstore, in Lakeland’s Athletic and Fitness Center (AFC) or in the Lakeland Library.

**Buy Textbooks**

Textbooks can be purchased in person at the bookstore or online at lakelandcc.edu/bookstore.

Students may order books online and have them delivered to Lakeland’s campus at no additional cost. Online orders can also be delivered to the home at a minimal shipping cost, and orders of $35 or more will be charged no shipping cost. In the online class schedule viewer, click on the book icon to view required book(s) and pricing.

**NOTE:** Some books may be optional.

See pages 10-13 for a more complete guide of resources available through myLakeland.

**CAMPUS**

Lakeland Community College is located on 400 wooded acres in Kirtland, OH, only 30 minutes northeast of Cleveland. The college offers more than 140 associate degree and certificate programs that may lead to high-demand careers or transfer to four-year institutions. The college also provides access to bachelor’s, graduate and doctorate degrees along with certificates and endorsements on campus through the Holden University Center of Lakeland, in partnership with 10 four-year institutions. In addition, Lakeland supports a multitude of social, cultural and sports activities through student groups, engaging lectures, a vibrant arts program, competitive sports, and an athletic and fitness center that has outdoor facilities such as soccer, baseball and softball fields as well as tennis courts. The historic and beautiful Mooreland Mansion, on Lakeland’s campus, provides elegant surroundings and state-of-the-art amenities for meetings, conferences, banquets and special events.
TYPES OF CLASSES

Co-op/Field
A co-op/field course provides on-the-job experience which takes place off-campus in support of a student’s field of study.

Hybrid/Hybrid Lab
The hybrid (blended) course provides the advantages of weekly face-to-face interaction between faculty and students with the flexibility and convenience of less time in the classroom. Significant coursework and interactions between instructor, students, and classmates take place both in the on-campus classroom and online. The total amount of time required for the blended course is typically the same as with a traditional face-to-face course. The percentage of face-to-face on-campus classroom time is reduced as time devoted to online activities is increased.

IVDL Interactive Video Distance Learning
IVDL classrooms combine the traditional face-to-face instruction with distance learning by using special video and audio conferencing technology to connect two or more classrooms. Students located in one classroom are able to interact in real-time with an instructor and students located at a distance.

Lecture/Lab (Face-to-Face)
Lecture and lab course types provide traditional face-to-face instruction in an on-campus classroom and/or on-campus laboratory.

Online/Online Lab
In an online course, all course instruction is delivered completely online. Students are not required to come to campus to participate in any portion of the coursework or evaluation. There are no required synchronous (real-time) scheduled interactions (e.g., web-conferencing, chat, proctored exams). It is important to note, the online course is not self-paced; students are expected to complete assignments and assessments on a schedule that is similar to the traditional course and aligns with the regular academic calendar.

Online WSR/WSR Lab
The online with synchronous requirements (WSR) course is delivered primarily online using Blackboard. The difference between the fully online and online WSR is there are some required remote face-to-face or synchronous (real-time) interactions, such as: class orientation, regularly scheduled chat or web-conferencing sessions, and/or proctored exams. Please refer to the course syllabus for specific course requirements.

Self-Paced Courses
Self-paced courses are on-campus and computer-based to allow students to work at their own pace with instructor assistance.

Computers are available outside the Student Service Center, in Room A-1047, in the Lakeland Library and in the Holden University Center.
myLakeland

myLakeland is your student portal. To log in, you will need:

Username - Your username is the first part of your email address (for example if jsmith12@mail.lakelandcc.edu is your email address, your username would be jsmith12).

Password - Your default password is sent to the email address provided on your application for admission. For security purposes, the default password is a random series of characters. The first time you log in, you will be required to complete a set of security questions to help ensure the safety of your personal information. It is recommended that you also take the time to change your password to something you can more easily remember.

Multifactor Authentication (MFA) - Your security is a top priority. With that in mind, Lakeland has implemented Multifactor Authentication (MFA) to help ensure that no one can access your account except you! This means, that when accessing myLakeland, you will be asked to answer two of your security questions OR enter a code that is sent to your personal cellphone or personal email. When logging in, if you check the box “trust this device,” you will not have to answer security questions every time you log in. However, you will be asked to verify your account occasionally or if something has changed with your device, browser or security settings.

Technology at Lakeland

Lakeland is dedicated to supplying students with the latest technology to help ensure success in higher education. From free on-campus Wi-Fi, computer labs and equipment rentals to online meeting spaces, personal Webex accounts and the full Microsoft Office 365 suite, Lakeland has it covered. View the Technology Guide to learn more.

Any student registered for classes in current active terms can request to borrow a Chromebook. Access the Chromebook Reservation link via myLakeland on the “Student” tab. Eligibility will be checked and pickup and return instructions will be emailed.

FOR MORE INFORMATION on myLakeland and computer internet/access, visit the student development page at lakelandcc.edu/studentdevelopment.
HOW TO REGISTER FOR CLASSES

- Students should use the online schedule viewer (no log in required) at lakelandcc.edu/schedule to identify the classes they want to take and make note of the CRN number for each class. This CRN number is needed to register.
- Students must clear any registration holds (e.g., missing transcripts, missing placement tests, unpaid fees) before they can register for classes.
- Register for classes online in myLakeland.

Log in to myLakeland

1. Go to my.lakelandcc.edu or go to lakelandcc.edu and click on "myLakeland."

2. You will be prompted for username and password. When logging in for the first time, you will be asked to set up four security questions that will later allow you to reset your myLakeland password should you ever forget it.

Username: Your username is the first part of your Lakeland student email address before the ‘@’ symbol. Example: jsmith12 of jsmith12@mail.lakelandcc.edu.

Password: Your default password is sent to the email address provided on your application for admission. For security purposes, the default password is a random series of characters. The first time you log in, you will be required to complete a set of security questions to help ensure the safety of your personal information. It is recommended that you also take the time to change your password to something you can more easily remember.

To request your username or reset your password, visit the “Login Assistance” link on the myLakeland login screen and follow the instructions under Password Change/Reset App. If you are still having trouble, please contact the Help Desk.

PAYING FOR COLLEGE

TUITION AND FEES

Lakeland provides quality education at an affordable price. Lakeland’s tuition is about one-third the cost of most four-year schools.

Coming to Lakeland Community College for the first two years of your bachelor’s degree can save you thousands in tuition. Use our 2+2 Tuition Comparison Calculator to see how much you can save. Visit lakelandcc.edu/2plus2calculator.

General fee* is $11.80 per credit hour for a maximum of 15 credit hours per term. The general fee is used to defray the costs of admissions, registration and other direct student services.

Career services fee** is $8.25 per credit hour for a maximum of 15 credit hours per term. The fee is used to cover such direct career services as academic planning, career counseling, transfer, and employment strategies. College Credit Plus students, students participating in apprenticeship programs, students age 60 and older auditing a class and students taking noncredit classes are exempt from the career services fee.

Tuition and fees are subject to change. Visit lakelandcc.edu/tuition for more information.

- In addition to the general instructional fees, career services fee, and support services fee, students may be charged supplemental course and incidental fees due to the nature of certain courses. Supplemental fees are noted in the course listings available in the online schedule viewer in myLakeland.

- The support services fee of $14.25 per term ($4.25 for summer term) is paid by all students enrolled for credit irrespective of the number of credit hours taken. The fee covers parking, shuttle service, safety, exterior lighting, and cultural events; or rental of off-campus facilities.

- Senior citizens 60 years or older are offered a tuition waiver program allowing them to audit credit courses on a space-available basis. Senior citizens are responsible for purchasing course materials and books in addition to the general, lab and student support service fees.

Senior citizens 60 years or older are offered a tuition waiver program allowing them to audit credit courses on a space-available basis. Senior citizens are responsible for purchasing course materials and books in addition to the general, lab and student support service fees. To benefit from the senior citizen tuition waiver, a senior citizen must complete an Admissions Application (first-time applicants only) and an Audit Request – Senior Citizen to be certified as eligible. Once certified as eligible (Ohio resident, 60 years of age or older, provide proof of age and residency via Ohio driver’s license or state issued I.D.), senior citizens may register during senior citizen registration dates. Please contact Lakeland’s Student Service Center for an eligibility application and additional information. View pages 1-3 for registration dates for summer term or fall or spring semesters.

Residency Requirements

Residency requirements for Resident of Lake County; Ohio resident outside Lake County; and Out-of-state are posted under Tuition & Fees on the college website. Tuition will only be adjusted prior to or no later than the first day of the term. If the request for change of residency is made after the start of the term, the residency decision will be made for the following term. A change of residency may impact financial aid eligibility.

A change of address does not automatically change residency status. All students requesting a change of tuition to in-county or in-state will need to complete the Request for Change of Residency Form and upload the required documentation for review and approval by the Office of the Registrar.

Fall - Spring Tuition and Fees

Last updated 5/8/2023. Tuition and fees are subject to change. Visit lakelandcc.edu/tuition for the most up to date information.

Personal Check / Web Check
• Online in myLakeland.
• At Lakeland’s Cashier’s Office.
• Mail to Lakeland’s Cashier’s Office.
  NOTE: There is a 10-business day waiting period before any financial HOLDS will be released.

Credit Card
• Online in myLakeland.
• At Lakeland’s Cashier’s Office.
• Visa, MasterCard or Discover.
  NOTE: Financial HOLDS will be removed the next business day (when college offices are open).

Scholarships
Students can easily see if they qualify for any of the many Lakeland scholarships through the online Scholarship Center. (See page 12 for steps)
• Online in myLakeland.
• Complete one simple application.
• Lakeland’s Financial Aid Office will notify students of any scholarship offers.

Tuition Loan Payment Plan
Lakeland offers an online Tuition Loan Payment Plan to spread the cost of tuition and fees over the term. Visit lakelandcc.edu/tuition for current plan options and enrollment instructions.

Paying with Financial Assistance
• If students have received a financial aid offer notification via myLakeland, and have registered for the minimum number of credit hours required to receive the aid, aid will be applied to tuition charges.
• Class attendance will be reported by faculty.
• Refunds of excess financial aid will be released to students after attendance in their classes has been verified by Lakeland’s Financial Aid Office. This process begins at the end of the second week of the semester. Students will receive their refund via check unless they are enrolled in eRefunds (direct deposit).*

*(See page 13 “Make a Payment / View My Student Account / Enroll in eRefunds.”)

• Indirect educational expenses are the student’s responsibility until the credit balance is received.
• Students not receiving the results of their financial aid application at the time of registration should inquire about applying for a Tuition Loan Payment Plan.

eRefunds
Students are encouraged to register for electronic refunds, the quick, convenient and secure method of having refunds directly deposited into their bank account. Sign up in the “Billing Center” in myLakeland (see page 13 for instructions).

Lakeland Community College has over 130 scholarships available that can remarkably reduce the costs of a college education. Most scholarships provide funding toward tuition expenses, but they may also help with the costs for books and educational supplies. Not all scholarships require a high GPA, with some based solely on where a student lives, went to high school or major. Students can quickly and easily apply for scholarships through a one-step application process in the Scholarship Center.

See page 12 for steps in myLakeland.

Even with our low tuition, we realize you may need some help. More than 50% of Lakeland students receive some form of financial assistance. Lakeland offers many types of financial assistance, including federal and state grants, scholarships, loans, and work-study employment.

Visit lakelandcc.edu/financialaid for more information.
FINANCIAL AID

Lakeland offers many types of financial assistance including federal and state grants, scholarships, loans, and work-study employment.

To Apply for Financial Aid:
• Complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov/fafsa and use Lakeland Community College code 006804. The FAFSA should be completed every year.
• Complete a Lakeland scholarship application (see page 12).

Remain Eligible for Financial Aid:
• Attend class.
• Maintain Satisfactory Academic Progress (SAP).
• Submit all documents as requested by Lakeland’s Financial Aid Office.

For more information, go to lakelandcc.edu/financialaid or call Lakeland’s Financial Aid Office at 440.525.7070.

WITHDRAWALS / CANCELLATIONS

Administrative Withdrawal Policy
Students will be administratively withdrawn from any class in which they are enrolled and have not attended during the first two weeks of the semester. Students are not permitted to begin attendance in a class after the second week. Administrative withdrawals will occur at the beginning of the third week of classes at a 50% refund for any student who the instructor marked as not attended.

Withdrawal From Classes
Students are able to withdraw from a class from the beginning of the third week through the end of the 12th week of the semester. A course withdrawal will be indicated on a student’s academic record by a grade of “W.” After the 12th week, no withdrawal is permitted. Failure to attend class(es) does not constitute withdrawal and may result in a failing grade. Students registered for courses other than the standard 16-week semester should consult pages 1-3 for appropriate deadlines regarding withdrawal for summer term and fall or spring semesters.

Cancelled Classes
Occasionally the college must cancel a class because of insufficient enrollment. Students enrolled in the class will be notified of the cancellation as soon as possible and may replace the cancelled class. Students who do not wish to make a substitution will have a reversal of charges for the cancelled class posted to their student account. The college reserves the right to cancel any classes due to unforeseen circumstances. Students with financial aid should call or email Lakeland’s Financial Aid Office or stop by Lakeland’s Student Service Center to determine how aid is affected.
ACTIVITIES, ENGAGEMENT AND SUPPORT

Lakeland provides many services and programs to support and enhance the college experience. Most services are free or offered at a very low cost.

**Arts at Lakeland** – concerts presented by musical groups (band, chorus, flute choir, jazz orchestra and orchestra); multiple gallery shows with submissions by noted regional and national artists as well as students and faculty; and professional theater productions. Events are held in the Dr. Wayne L. Rodehorst Performing Arts Center and The Gallery at Lakeland, located in the D-Building.

**Athletic and Fitness Center (AFC)** – on-campus athletic facility with an indoor track, basketball and racquetball courts, locker rooms, and a weight room equipped with free weights, nautilus equipment, treadmills, ellipticals and stationary bikes.

Lakeland Community College offers eight varsity athletic teams. Lakeland’s team is known as the Lakers, and they participate in Region XII of the NJCAA and the Ohio Community College Athletic Conference (OCCAC).

**Intercollegiate athletics** –
- **Men's sports** – baseball, basketball, soccer
- **Women's sports** – basketball, soccer, softball, volleyball
- **Co-ed sports** - esports

**Campus Kids (childcare center)** – on-site, state licensed and accredited childcare center for the children of students who are enrolled in credit classes at the college or at the Holden University Center.

**Campus Police** – operates as an autonomous police district and is dedicated to protecting and serving the college community. Lakeland’s Police Department offers a 24-hour emergency communications and dispatch center and is part of the Ohio Collaborative for law enforcement in the State of Ohio.

**Career Services Center** – assists current Lakeland students and alumni to obtain employment and career-related experiential learning, both on and off campus. Career Services provides workshops and maintains an up-to-date job board of regional employment opportunities.

**Computer labs and free Wi-Fi** – computers are available for use and are found outside the Student Service Center, in Room A-1047, in the Lakeland Library and in the Holden University Center.

**Counseling and Advising Center** – offered to full-time, part-time and potential students, services include admissions/ course selection support, educational planning, career exploration, personal counseling, explanations of college policies and procedures, and psychological counseling.

**Hispanic Program** – offers support and mentoring to Hispanic students as well as connections to successful Hispanic leaders in the community.

**HIVE** – a makerspace that offers a place for hands-on learning, collaborative problem-solving, design thinking and creative experimentation. Students can work on projects, create something new, or attend special themed workshops.

**Laketran** – Lakeland students can ride Laketran Local Routes 1-9 to and from the college for free by showing their Lakeland Student ID.

**Learning Center** – offers hybrid academic learning support services to students for most classes. Academic learning support includes academic tutoring, writing center consultations, math-in-minutes and study skills coaching.

**Library** – a full-service library offering an expansive listing of titles, research assistance, free use of computers, anatomy and physiology models, quiet study rooms, copy equipment, and educational programs for information literacy.

**Men's Resource Center** – center dedicated to serving male students with the primary purpose to help men plan for and achieve their educational and career goals. The Men's Resource Center connects students to college resources and programs for college preparedness as well as peer group support.

**Parking and Shuttle Service** – parking is available at no charge to students and visitors and is conveniently located around campus. The college also offers a free shuttle bus service, in partnership with Laketran. The Campus Loop shuttle serves eight bus stop locations with service every 10 minutes connecting all points from the Holden University Center (U-Building) to the T-Building, and everywhere in between. A handicapped parking lot is located behind Lakeland’s B-Building for those with a valid permit.

**Student Engagement and Leadership** – exists to enhance the students’ lives outside the classroom. They provide social, educational, and leadership opportunities to encourage personal and professional growth. They oversee Lakeland Student Government, the Campus Activities Board, all other student organizations, and campus involvement.

GET INVOLVED by stopping in Room S-237, calling 440-525-7271, or emailing getinvolved@lakelandcc.edu.

**Student Service Center (SSC)** – serves as the one-stop location on campus where students can receive help with admissions, financial aid, registration and general billing questions and access counseling and advising. For on-campus information or assistance from the SSC, students should join the SSC’s virtual line by using the computer in the SSC lobby; scanning the QR code on the poster in the SSC lobby or by texting Lakeland CC OH to 440.276.8163.

**Veteran’s Center** – serves active duty personnel, veterans, reservists and their families by helping them secure educational benefits, complete VA forms, gain support from fellow students in a dedicated on-campus lounge, and connect with off-campus resources.

**Women's Center** – offers support, services, events and a sense of community for women, including those of nontraditional ages, women who’ve had a break since last attending school, older women who have never attended college, women who are mothers (single and married), and women seeking a new direction or a second chance.

Learn more about these services at https://www.lakelandcc.edu/web/about/student-life.
Lakeland Community College’s College Credit Plus Program (CCP) offers high school students the opportunity to enroll at Lakeland on a part-time or full-time basis, and earn college credit, which may also be used to fulfill their high school graduation requirements. The intent of the CCP program is to offer a broad range of college level classes, which provide educational opportunities not typically available in high school. Admission into this program is open to students who have clearly demonstrated the ability to handle college-level coursework. Interested students should attend an information session, complete an application, submit a high school transcript and complete the required permission slip, take the placement test, and attend a CCP registration session. Homeschool students and students who do not attend public schools must complete a funding application. For more information, visit lakelandcc.edu/ccp.

The honors program aligns both curricular and experiential opportunities to the honors pillars of community, leadership and opportunity.

Students can expect:
• An honors curriculum.
• Experiential opportunities and programming.
• Ease of transfer to a partner college or university.
• A unique honors portfolio upon program completion.

Admissions requirements include a 3.5 high school GPA or a 3.5 Lakeland Community College or transfer GPA with at least nine credit hours.

Honors scholarships available!
Visit lakelandcc.edu/honors for more information.
STUDENT SUCCESS

Lakeland provides many important services designed to keep students on track for the successful completion of the classes they need, and continue on to achieve their goal of a degree or certificate. Student success is encouraged through the following:

• Academic Study Skills Coaching – training and techniques in time management, organization, test-taking and many more.
• Completion Plans – pathways to completing degrees and certificates or the transfer of credits to four-year colleges and universities.
• Degree Works – history of classes and progress toward completion of a degree or certificate.
• Early Alerts – identification and assistance for academic challenges including connections to college services.
• First Year Experience (FYEX) Class – information and preparation for the college environment and Lakeland’s programs and services.
• Learning Center – tutoring for most credit classes.

Returning to school when you are 25 or older can be challenging, but it can also be one of the best decisions you ever make! Lakeland’s Recruitment Center can answer your questions, provide campus visits and help you navigate the enrollment process. Additionally, the center can connect you with the resources to help you choose an educational path, get financial assistance to pay for college, bring in transfer credits, and request credit for prior learning experience. There are many resources available to help you balance family, job and now, classroom responsibilities.
For many students, Lakeland is the first step on their higher education journey. Students can save on the cost of their education by taking as many classes at Lakeland as possible. Students can complete the first two years of a bachelor’s degree and then transfer to most four-year colleges or universities. Many four-year institutions also offer transfer scholarships, making the cost even more affordable. Depending on the major, students may be able to stay at Lakeland to finish their four-year degree by participating in a partnership program offered at the Holden University Center. Preparation for transferring to a four-year institution should start the first term or semester.

Lakeland has many general articulation agreements and transfer guides for Ohio colleges and universities. Ohio Transfer 36 and Transfer Assurance Guide (TAG) course credits are guaranteed to transfer to any public college or university in Ohio. Students can check for course equivalencies at transferology.com or transfercredit.ohio.gov. Lakeland Community College is nationally accredited by the Higher Learning Commission, and our courses are recognized by all other accredited colleges across the country, so the credits can transfer to private or out-of-state institutions.

Lakeland’s Transfer Center strives to provide a seamless process for students transferring college credits to and from Lakeland Community College. With this goal in mind, the transfer center provides the following services to all Lakeland students:

- Assisting with all phases of the transfer credit process.
- Providing Lakeland students with information about continuing their education at a four-year institution.
- Providing written and web-based equivalency guides and course articulation information.
- Maintaining a calendar of scheduled visits by representatives from four-year institutions.
- Providing contact information for college and university representatives.
- Hosting a college transfer fair.

Learn more by visiting lakelandcc.edu/transfer or calling Lakeland’s Transfer Center at 440.525.7426.

Whether Lakeland is a stepping stone to a four-year college or university, an affordable option for taking extra summer classes, or the final destination in higher education, Lakeland’s Transfer Center is here to help students achieve their goals.

Visiting (Transient) Students
Visiting students are currently attending another university or college and would like to take courses at Lakeland Community College for one term and have the credits transferred back to their home institution. Visiting students must complete Lakeland’s Application for Admissions. And, to ensure the course(s) taken at Lakeland will transfer, the Visiting Student Registration Form must be completed by the appropriate official at the visiting student’s home institution. This completed form must be received by Lakeland prior to registration. Visiting students are not eligible for financial aid at Lakeland. Contact Lakeland’s Office of the Registrar at 440.525.7101 for more information.
Established in fall 2011, the Holden University Center of Lakeland Community College offers convenient access to complete bachelor’s and graduate degrees from a variety of leading colleges and universities. Built in response to the community’s request for accessibility to higher education, the Holden University Center has brought over 50 bachelor’s degree programs, 13 graduate degree programs, seven graduate certificates and endorsements, one doctoral program, and lifelong learning opportunities from 11 university partners within reach of its Lake County residents.

Lakeland’s Holden University Center is a state-of-the-art facility located directly across from Lakeland’s main entrance. Designed specifically for students enrolled in Holden University Center degree programs, the technological capabilities allow for interactive distance learning, small group collaboration and independent study.

Classes are taught by Holden University Center partners. Graduates receive their degrees from the institution of their degree program. The degree is the same as having completed a program at the four-year campus. Each university partner determines its own tuition and fees. Bachelor’s degree partners include: Bowling Green State University, Cleveland State University, Franklin University, Kent State University, Lake Erie College, Notre Dame College, The University of Akron, Ursuline College, and Youngstown State University. Graduate degree partners include: Bowling Green State University, John Carroll University, Lake Erie College, Notre Dame College, Ursuline College and Youngstown State University. Additional partnerships are under discussion.
